THE VOICE OF THE HIGHLANDS THIS WEEK'S PRESS RUN—1650

HALIBURTON, ONTARIO Thursday, July 28, 1960

Established in 1882 as the
Minden Echo & Haliburton Recorder

Allan Billings Killed In Logging Accident

Citizens of the village of Haliburton were profoundly shocked on Thursday afternoon last when they learned that Allan James Billings had been instantly killed when unloading logs in the mill yard of the Lorne Bailey Lumber Co.

While no one saw the accident, it would appear that the victim had released the chain on one end of the truck load of logs and while endeavoring to unfasten the chain on the other end, a log became loose and slipped off the truck, striking the young man on the head, killing him instantly.

As soon as the body was discovered, Dr. H. E. Good was called as were the O.P.P. and they were soon on the scene, along with some of the members of our local fire brigade who were on hand

with their resuscitator, but an examination by the doctor revealed the victim was beyond human aid.

The late Allan Billings was in his 29th year and leaves to mourn his loss a sorrowing wife, the former Violet McKnight, and two children.

The deceased was not only well known in this area, but was highly thought of by friends, relatives and neighbors alike. This was greatly in evidence at the funeral which was held at St. George's church on Saturday afternoon when the cortege following the service was termed by many, one of the largest to pass through the streets of Haliburton.

Needless to say the sympathy of the entire area goes out to the bereaved wife and family who have so suddenly been bereft of a devoted husband and loving father.

Fails To Make Corner--- Lands In 6 Ft. Of Water

Three young men had a narrow escape from death when their car crashed through the railing on what is generally known as Walling's bridge which spans that portion of the river which joins Head and Grass lakes.

A young man had met with an accident at Deer Lodge and Tony Silvestri, accompanied by another guest, was bringing him to the doctor. It would appear that Silvestri, the driver of the car, failed to negotiate the

turn on the approach to the bridge satisfactorily and the vehicle went through the railing, dropping in the deepest part of the river.

When the car came to rest it was completely submerged with about six inches of water flowing over its top.

Luckily the passengers were able to crawl through the open windows and while they were a little shaken up they are apparently no worse for their experience.

No charges have been laid.

The Work Of Forest Rangers

At Haliburton deputy chief ranger Sam Shields and his crew of rangers have just completed a week of work which featured a little variation from the ordinary.

Besides their routine jobs of extinguishing two small bush fires, scaling of timber, helping to erect a new 100 foot high fire tower, repairing and painting towermen's cabins, and brushing out portage trails between lakes, they also were called upon to investigate a burning hunt camp and to conduct a search for lost campers.

By the time the rangers reached the hunt camp on Millar's Lake, Guilford township, the building was beyond saving. Water was pumped on the burning grass to prevent further spread. As no one appeared to be staying in the camp, the Ontario Provincial Police have been called in to investigate.

Eleven young people from one of the camps near Haliburton became lost in the woods last week while on a combined hiking and fishing trip. The party consisted of eight girls, about 10 years old, and three older councilors.

Rangers using a portable radio, searched the bush without success until dark.

Next morning another search was begun at daybreak, and at 7.30 a.m. the campers were located, none the worse for their night out under the stars.

ROYAL CONSERVATORY OF MUSIC RESULTS

Grade VIII, Lucky Taylor, first class honors.

Grade VI, Phyllis Loucks, honors; Douglas Lawrence, pass; Ruth Ann Dalby, pass.

Grade V, Susan Harrison, honors; Barbara Kelly, honors.

Grade IV, Barbara Brown, honors.

Grade III, Patsy Deacon, first class honors; Marilyn Ingram, honors.

Grade II, Donna Barker, first class honors.

HI-FI MUSIC PROVING POPULAR AT DANCE PAVILION

The hi-fi dances at the Golden Slipper every Tuesday, Wednesday and Friday nights are getting very popular. The older people as well as the younger set seem to enjoy listening to the music as well as dancing.

All the latest and top tunes are played as well as the most popular dance tunes, especially for the dance of your choice.

The Golden Slipper has one of the best hi-fi systems installed by the Electro-Voice systems of Toronto.

The admission to the dances of 50 cents is another attractive feature, as it gives everybody a chance to enjoy an evening of good music and dancing at a minimum cost.

There will be a special midnight frolic Sunday night. The Golden Slipper live orchestra will furnish the music as it does for the Saturday night dances.

Bands, T-V Stars To Highlight Haliburton Rotary Carnival

For the 17th consecutive year Haliburton's annual rotary carnival gets under way on Tuesday and Wednesday, August 2 and 3. The Haliburton Rotary Club have gone to great expense to bring in entertainment to suit everyone's taste.

For example, on the opening night, Tuesday, August 2, the ever popular Mel LeVigne and his Blue Water Boys will be on stage to entertain. These are the stars of CKVR-TV Barrie who perform on Country Junction on Thursday night. Popular demand is bringing Mel and the boys to this year's carnival.

On Wednesday night, the final night of the carnival, will roll off with a monster

parade from the community park at 7.15 p.m. This year's parade will feature bands such as the Lindsay Kiwanis Cavaliers, the Haliburton Legion Band and others. Many entries are already in to make this the longest and best parade ever.

Following the parade the Kiwanis Cavaliers trumpet band will put on a show of music and drills that proved so popular with the large crowd last year.

On stage will be two half hour shows put on by local talent under the direction of Yves Sicard. Haliburton county's finest talent will be on parade.

Something new has been added for this year's final

night and that is a large number of valuable door prizes will be given away. We will list just a few: Hudson Bay coat, electric roaster, electric barbecue, Corning ware coffee maker. You may be the winner of one of these valuable prizes and the Rotarians have not forgotten the children as they have lined up a large midway with a ferris wheel, merry-go-round and all the trimmings. To end the carnival the draw will take place for the boat and motor.

Yes, there's two big nights to remember, Tuesday and Wednesday, August 2 and 3, the Haliburton Rotary carnival. Bring the entire family and enjoy yourselves. You'll be glad you came.

Green Canoe Restaurant Opening

Within a mile of the much frequented Indian camp site on the north shore of scenic Grass Lake, famous for its golden sand beaches, a new restaurant will open its doors beneath a suspended green canoe on Saturday, July 13. The proprietor of the Green Canoe, Mr. Lorne Barry, well known farmer and trapper, is to be congratulated on its design and construction.

In front of the restaurant, 300 feet of sandy shoreline, ideal for swimming, has been deeded to the municipality as a public beach. Sometime in the near future Mr. Barry plans to build a fireplace and table facilities.

The Green Canoe restaurant, which will remain open all year, is a spacious cement block building, 36 feet by 60 feet. The top story is devoted to living quarters for the family plus sleeping accommodations with all modern facilities, which when completed, will be available for rent.

The over all interior color scheme is beige. The walls are done in butternut paneling and the ceiling is finished in acoustic tile. Italian mosaic "Sandran" linoleum covers the floors. Full course meals or light lunches will be served at the counter or at attractive tables beside the several picture windows

Retreat At Redstone

From July 18 to July 22 Dr. Charles Whiston, author of "Teach Us To Pray" and professor at Church Divinity School of the Pacific, Berkeley, Calif., conducted a retreat at Redstone lodge.

Under Dr. Whiston's inspiring leadership, nine people from various points in Ontario began to learn a little more deeply the meaning of the words "come ye apart."

Regatta At Drag Lake

If you are looking for a good day's outing, why not take the entire family to the Drag Lake Property Owners Association regatta to be held this Sunday, July 31 at 1 p.m. at Drag Lake lodge.

A special day of events has been lined up for boating, canoeing, racing and water skiing.

Entries may be made with Ti Irwin in Haliburton, Drag Lake lodge or Haliburton lodge.

Don't miss this day of days on the waters of Drag Lake.

which overlook the lake. The first floor also includes a spotless kitchen, storage facilities and a furnace room.

The lounge which adjoins
(Continued on Back Page)

Prentice Reunion

Last Sunday some 54 members of the Prentice family attended the Prentice reunion held at Fred Prentice's cottage at Lake Scugog where tables were set up by the ladies of the W.A. of Valentia United Church for both noon and evening meals of delicious salads and bountiful desserts.

There were two power boats available, both for trips around the lake or for water skiing.

Magistrate Prentice was emcee and read messages from Vancouver, New Westminster, Wisconsin and Indiana.

One item of note was that there were six members of the family present, the youngest of whom was 75, and all enjoying excellent health.

Members were present from Selkirk, Markham, Toronto, Carnarvon, Ohio and Pennsylvania.

Car Hits Bear

On Tuesday evening while driving toward Minden with three other passengers, Paul Marshok of Toronto saw what he took to be a dog but it turned out to be a 250-pound bear. The bruin refused to give way and there is a Pontiac with a severely damaged fender and one dead bear.

None of the passengers were hurt. O.P.P. constable Earl Bush investigated the accident.

HALIBURTON NEWS LETTER . . .

Last week six Brownies of the Salvation Army, namely Pamela Armitage, Pearl Bailey, Colleen Stuart, Judy Robinson, Janice Litt and Julie Woodcock spent a few days at the Salvation Army camp which is situated on Hawk River.

Mr. and Mrs. Tom Barrow of Thornhill, are at present spending a few holidays at Loon Lake.

The sympathy of this community is extended to Mr. and Mrs. Ben Weese whose son, Charles Benjamin, passed away very suddenly on Saturday, July 23 at his cottage at Port Sydney, Muskoka. The deceased was in

his 42nd year. Funeral services were held from the Trull Funeral Home in Toronto on Monday afternoon.

Sorry to report that Mrs. Ernest Reese, who has been in very poor health, was taken to the Ross Memorial Hospital, Lindsay, on Tuesday morning. We have no further news as to her condition at time of writing.

We are pleased to see that a coat of mulch is being applied on Mountain St. between Maple St. and Cedar St. This in our opinion is a much needed improvement. It is too bad that the road could not have been lowered some before this operation took

place, but one can hardly expect everything.

The many friends of Mr. Harold Cummings will be sorry to learn that he is at present a patient in the Ross Memorial Hospital after undergoing surgery. Mr. Cummings has not been in Haliburton over a very long period but has become well known to many for the contribution he has made in the musical field. Gifted with a rich tenor voice he has been ever ready to help in choir work and quite frequently has been the soloist at the services held in the United church. We trust he will regain his health and that he will again be able to be about once more.

MAPLE LAKE

Mr. Grey's twin sons are olidaying at Mr. Milton Dawson's.

Mr. and Mrs. Claude Fader visited parents on Sunday. Bernice and children stayed over for a week.

Relatives from Toronto and Niagara Falls spent part of last week with Mr. and Mrs. Charles Skelding at Beech River.

The St. Peter's W.A. ba-baar held on Wednesday, July 20 was very successful.

Most of our young children are attending vacation Bible school in Minden.

Mrs. Charlotte Parker of Toronto spent a week's holiday with Mrs. Annie Fountain.

Miss Barbara Kelcey of Toronto is holidaying with Miss Lou Bright.

Mr. Herb Wilson, leader of the orchestra at Medley's dance pavilion, has purchased the new cottage situated by the bridge on the north shore road at Maple Lake.

Mr. Jim Watson and Steve Ugar of Toronto are holidaying at "Bithynia" farm.

Mr. and Mrs. Hugh McPhail and family are at Art McPhail's for their holidays.

Those of us who know Pearl and Allen Connors wish them bon voyage, as they are preparing to sail for India August 5 to take up their missionary duties for the United church.

Mr. Frank Bright and Alex Duncan have at last lured the bass. They report a catch of large bass from local waters.

Husbands! Wives! Want new Pep and Vim?

Thousands of couples are weak, worn-out, exhausted solely because body lacks iron. For new vim, vitality, try Ostrax Tonic Tablets. Supplies from you, too, may need for pep; supplementary doses Vitamin B₁. Introductory or "get-acquainted" size only 80¢. At all druggists.

(Copyright applied for)

Fourth Installment Chapter Two (continued) "A PREVIEW TO SETTLEMENT"

With the completion in 1866 of the Peterson Road as a "summer road" from the Madawaska to Muskoka Falls, the commissioner of Crown lands was able to announce uninterrupted traffic from Ottawa to Lake Simcoe but settlers along the road do not seem to have arrived until 1864. Unfortunately much of the country through which it passed was unsuited to farming and the road began to disintegrate through lack of use.

In 1867 it was reported to the department that 102 miles of the Peterson road, built at a cost to the province of over \$142,000 has been of little practical utility owing to the wretched location and defective construction.

The report mentioned that between 30 and 40 miles of the Peterson passed through the nine townships owned by the Canada Land and Immigration Co. a portion of which had been improved by the company in 1866 to a slight extent. It ended with the optimistic suggestion: "This is an important road and should be made good throughout." Like many another report to a government department, this one was shelved without being acted upon.

Except for small portions of the Peterson which have been incorporated into our highways, 100 years later all that remains of it are a number of faint trails through the bush used only during hunting season by the hound packs and their masters on the track of game.

The Bobcaygeon road which seems to have borne the most traffic, was built north from Port Hope to the town of Bobcaygeon on the north side of Pigeon Lake.

Settlement seems to have followed its survey which ran north between the townships of Lutterworth, Anson and Minden on the west and Snowdon, Minden and Stanhope on the east to the "Bell line" where it intersected the east to west Peterson at Peterson's Corners." Where it crosses the Gull River the Bobcaygeon road becomes the main street of Minden village. It was finally extended to Cedar Narrows which was later re-named Dorset after the English county from which the Welch family emigrated.

In 1860 the contract for the Burleigh road through the townships of Burleigh, Chandos, Anstruther and Monmouth was let to several contractors by the superintendent of colonization roads, David Gibson.

The Burleigh road was planned to intersect the Peterson. By 1865 it was apparent that a new course of action was imperative. The contract for the whole road was given to John Carroll, a former Crown land agent. It was not only a question of constructing a new road but of undoing the defective work of the previous contractors.

The obstacles he overcame included bridges burned by bush fires and in the south west of Burleigh township the famous "Burleigh rocks", immense granite boulders, some of them a half acre in extent deposited by the glaciers of 100,000 years ago. These he conquered by filling the gulleys between them with broken stone and earth. By 1871 the Burleigh road was completed from Poverty

Lake to Wilberforce. It connected with the Kennaway road which ran into the village of Haliburton.

The Monk road running east and west two townships south of the Peterson, was constructed from Orillia to southern Haliburton in 1866 and 1867. In 1868 it was linked with the Burleigh road.

The Buckhorn road exists today in nearly the same form as it did a century ago when it was traveled by wagons instead of cars. It has been resurfaced to carry motor traffic but the route remains the same. Its northern section is lined on either side with abandoned farms which bear grim witness to "labor lost."

The cost of the Buckhorn built in 1864 from Buckhorn post office through the townships of Harvey and Cavendish into Haliburton county was shared jointly by the government and the town and county of Peterboro who each contributed \$1,500, the remainder was born by the government. Construction costs ran to \$1,000 a mile before it was completed. Its purpose was to open for settlement the nine townships purchased in 1861 by the Canada Land and Immigration Co. who, like the persistent ant in last year's hit song, started with "High Hopes."

It is hard for people of the 20th century to visualize life in Haliburton in the 1860's. So little was written and even less has been preserved for posterity. Too many priceless letters and documents have been sacrificed to the feminine altars of "spring housecleaning."

Time travel is still a nebulous dream but thanks to Vernon Wadsworth, P.L.S., we are granted an all too brief glimpse of yesterday. Beginning in 1860 Mr. Wadsworth served his surveyor's apprenticeship under John Stoughton Dennis, P.L.S., who later became surveyor general of the dominion of Canada and also deputy minister of the interior. Dennis was decorated by the King for "distinguished service." He formulated the system of surveys now in force for prairie provinces and B. C.

Here, in extracts which pertain to Haliburton from "A History of Exploratory Surveys Conducted by John Stoughton Dennis, P.L.S., from 1860 to 1865," is Vernon Wadsworth's eye witness account of the birth of Haliburton.

"During the summer of 1864 I was employed by Edward Miles, P.L.S., manager of the Canada Land and Immigration Co., to examine land in some of their 10 townships in Haliburton county. Part of the time I kept their store and post office and stayed with James Holland who afterwards kept a hotel in Haliburton village. Others there I knew were the Austins, Sawyers and Bucks, who were hunters and farmers.

"Haliburton village was only a dense forest. Drag Creek, the outlet of Drag Lake, passed through it and it also fronted on a lake there situate. Now it is a thriving village and the terminus of a branch of the CNR.

"On Drag Lake Dave Sawyer, trapper and hunter, usually resided and I have hunted deer with hounds and speared salmon by the light of a birch bark torch with him and his sons when passing through there.

"In reaching the Haliburton district from Toronto we proceeded via the Northern Railway to Belle Ewart

and took the steamer there for Beaverton on Lake Simcoe and walked or drove over the portage road 20 miles passing through Kirkfield and reached MacGinnis' Point on Balsam Lake on the Trent waters. Here we hired canoes or boats and entered the Gull River which passed through the village of Cobocok (a part of which I afterwards surveyed when the railway reached there) and up the stream and widening lakes about 40 miles to the village of Minden and the intersection of the Bobcaygeon road.

"Our main camp for the surveys was kept by a man named Shove on Mountain Lake. By portage of a couple of miles to the east of Minden we entered Koshag (Kashagawigamog) Lake which empties into the Burnt River waters, which river is a tributary of the Gull River. We always stayed at Buck's Hotel in Minden which was at that time unfinished so we slept in our own blankets, in the uncompleted attic. Minden then contained about a hundred people and has not grown much since it is eight miles from the CNR station.

(These are Wadsworth's sentiments, not the writer's.)

"The settlers at Haliburton were a fine hospitable people and made it very pleasant for me with evening dances, etc., while I was in charge of the company's store and post office. I was succeeded in those duties by a brother of the Hon. Adam Crooks, a well known lawyer and politician of Toronto.

"In January of 1862 Mr. Dennis came to our camp at Skeleton Lake and informed us we must abandon the Muskoka survey in order to survey the 10 townships of the Canada Land and Immigration Co. in the Minden-Haliburton district. My party was to survey into town lots the Township of Guilford. This was situated east of the Bobcaygeon road and fronted on the Peterson road about 20 miles distant from Minden post office. We accordingly packed up and broke camp, passing over Three Mile Lake and down Lake Rosseau on the ice and through Muskoka Lake to the site of Bracebridge and thence to the falls on the south branch of the Muskoka River and thence by the Peterson road eastward to the Bobcaygeon road and thence still east along the Peterson to Guilford township, having traveled on foot about 80 miles.

"The Peterson for most of the distance was cut out but not traveled by team excepting by timber teams in the winter and there were not more than a dozen settlers on our whole route of travel. We spent the rest of the winter and until July surveying the Township of Guilford.

"I was sitting alone in the month of March on a high forest hill overlooking Redstone Lake. The ice was still on the lake and presently beneath me I saw a band of deer, 30 in number, young and old, herded by a great buck, crossing the lake to a large island where they would stay until the ice disappeared. This band of deer had a wintering place not far distant and lived on ground hemlock and buds until the leaves appeared.

"Deer were very numerous there and also wolves. The chief of our party, Charles Sproatt and some of the men, while engaged on the survey had occasion to go to the base camp on Mountain Lake for provisions. This was a canoe journey by lake and portage. On the way back to our camp and on a portage, Mr. Sproatt went on ahead of the packman and the flies and mosquitoes being very

venomous, he lighted a smudge to keep them off and while sitting there he heard, or thought he heard, a hound chasing a deer. He paid little attention to the outcry until it came almost upon him. Looking back along the portage he saw a wolf on his own trail. Having no fire arms, he climbed a tree nearby and the wolf came to the foot of the tree and endeavored to reach him. Just then the smouldering smudge, untended, broke into flames and the approaching packmen frightened off the wolf thus releasing Mr. Sproatt from his dangerous predicament. Often at night in that township and the adjoining country the wolves were very numerous and in pursuing the deer made the night hideous with their blood curdling outcry.

"In this same Township of Guilford I met some Indians from Rama on Lake Couchiching. They were trapping and hunting there and I purchased a dog from them named Wawaskosh or 'deer' in their Ojibway language. This dog I brought home to Weston and he was domesticated by the family there and proved a faithful companion for many years. I also obtained a pair of moose horns from those Indians which are still in my sister's care.

"I had the ill luck to cut my arm with an axe and was forced to carry the injured member in a sling. Our pork diet hindered the wound's healing and I feared proud flesh was appearing. However, one day two of those Rama Indian women visited our camp to get a good meal and exchange gossip. While there, one woman noticed my injured arm and asked to see the wound. She went off into the woods and soon returned munching bark or some other similar forest product. When it was fully masticated, she placed the stuff in a poultice on my wound and it proved most efficacious for the wound soon healed. Those Indians, the Yorks and Antioines, still reside in Rama Indian village but I have never seen them since.

"At Port Carling, where we employed packmen and canoe men, the non-Christian Indians often kept two wives.

"Our packmen took great pride in their walking prowess having been known to cover 60 or 80 miles on the ice of Georgian Bay from sunrise to sunset. After this feat they might dance all night. Two of our packmen,

William Parling and Cozac Cotte carried 200 pounds of flour and bacon a measured mile on snowshoes. They once covered 10 measured miles packing a hundred pounds plus blankets, hits and axes. Parling alone carried 400 pounds a hundred yards uphill on a portage near Port Carling. Parling, a half breed with an English father, was one of the best woodsmen I have ever met. He ran dangerous rapids and kept fires going and generally administered to the comfort of the whole party.

"I had another good man in Haliburton County named Thad Currie, a splendid shot and axe man. I purchased a huge bear skin from him for a sleigh robe. His relations were the only settlers on the Peterson road near Guilford and their name was Barnum.

"In the Township of Harcourt I stayed with an Indian named Barnard, from the Lake of Two Mountains post office in the Province of Quebec. His wife was educated by the nuns in a convent there. The Madawaska River near their home offered great fishing, grey trout of a large size and speckled. The district abounded in deer. It was interesting to note that on a portage between two lakes, one running into the Gull River of the Trent River waters and the other into the Madawaska waters, separated by about 600 feet, the trout which abound in the Madawaska waters are entirely absent in those draining into the Trent.

"We spent a night there with this Indian and enjoyed his hospitality. They were Hurons from the Quebec reserve which came up the Ottawa River and its tributary the Madawaska to Harcourt."

Here our brief glimpse of Haliburton a century ago ends. At the end of 1864 Mr. Wadsworth became a P.L.S. in his own right and he turned his feet toward the beckoning prairies of the great Canadian west.

The wolves which disturbed Mr. Wadsworth's slumber have, except for an occasional transient, vanished from Guilford township. However, they still menace the deer herds who winter in Have-lock, Bruton, Harburn, Clyde and Eyre. Could Mr. Wadsworth return to his old haunts some frosty winter evening he might still hear their lonely call which is the true voice of the wilderness echoing across the lakes in the moonlight.

WEDDING

Martin - Brubacker

Rev. Amos Brubacker officiated Saturday for the wedding of his daughter, Elsie Brubacker and Mr. Leo Martin.

Rev. Raymond Erb, Elora, assisted at the ceremony at Bethel Mennonite Church. Pink and white gladioli formed the setting.

Rev. and Mrs. Brubacker, Minden, are the parents of the bride who is a teacher at S.S. No. 1, Pilkington. The bridegroom is a son of Mr. and Mrs. Henry Martin, R.R. 1, Elora.

The bride chose a formal princess gown of Italian brocade with a lace yoke to set off the Peter Pan collar and lily point sleeves. She carried deep pink roses, white shasta mums and ivy.

Mrs. Vernon Frey was maid of honor for her sister in a similar gown of sea-spray green French brocade. She carried pale pink mums and white shasta mums.

Mr. Ernie Martin assisted his brother as best man. Ushers were another brother, Menno Martin and Mr. Donald Brubacker, brother of the bride.

Mrs. Brubacker and Mrs. Martin wore dresses of antique rose penachi and corsages of white baby and straw mums.

After a reception at the Old Landmark, Conestoga, the couple left on a trip west. They will live at 8 Erb St., Elmira.

OBITUARY

Iona Barnum

There passed away at the home of her cousin, Mrs. Sidney Fairfield of Maple Lake, on July 10, 1960, Mrs. Iona Barnum, in her 77th year. Mrs. Barnum was a twin sister of Mr. Owen Jones, who was born on September 27, 1883 to Mr. and Mrs. William Jones of West Guilford.

In 1906 she married John Barnum, a son of Mr. and Mrs. Charlie Barnum, who pioneered in Guilford township.

Mr. and Mrs. Barnum lived for a brief time at the Barnum homestead before purchasing a large farm at the head of Pine Lake. Here their family were born, Charles, Arnold and Thermo. Tragedy touched the home when the eldest son Charles was called by death in 1928.

Just prior to World War II the Barnums sold their farm and built a home at West Guilford where they lived until Mr. Barnum's death in 1954.

The funeral service on Tuesday afternoon, July 12, conducted by the Rev. John Smith and Stuart Wilson of the Gospel Chapel, was held in the Baptist church. The land on which this church stands was donated by Mr. and Mrs. Charles Barnum.

Palbearers were Sidney and Keith Sisson, Stewart Barnum, Lorne Barry, Rivers and Earl Sholer.

Left to mourn the loss of a devoted mother are a daughter Thermo (Mrs. Ben Varty) of Haliburton, a son Arnold of West Guilford, a grand daughter, Maureen (Mrs. Maureen McIntosh who was raised from infancy by her grandparents), three other granddaughters, three grandsons, two great grandsons and one great granddaughter.

TORY TIMES ARE HARD TIMES TO BEAT.—Haliburton County Y.P.C.A.

TREASURER'S SALE of Land For Taxes

TOWNSHIP OF SNOWDON
COUNTY OF HALIBURTON

By virtue of a warrant issued by the Reeve of the Township of Snowdon under his hand and the seal of the said corporation bearing the date of June 7, 1960, sale of lands in arrears of taxes in the Township of Snowdon will be held at the Council Chambers, Gelert, Ont., at the hour of 2 o'clock in the afternoon on Wednesday, the 12th day of October, 1960 unless the taxes and costs are sooner paid. Notice is hereby given that the list of lands for sale for arrears of taxes was published in the Ontario Gazette on the 2nd day of July, 1960, and that copies of the said list may be had at my office. It is the intention of the said Municipality herein mentioned to purchase at the adjourned sale such lots as do not bring the said taxes and costs.

Treasurer's Office this 11th day of July, 1960.

OBITUARY

Helen Laurie Hill

On Monday morning, June 13, the sad word was received of the passing of Mrs. Hill after a lengthy and severe illness which she bore with unflinching faith in her loved One above.

Born the daughter of the late Mr. and Mrs. A. M. Brown of Dunnville, on November 28, 1897, she received her education in that town and came to Lochlin to teach school in 1919.

On June 8, 1921, she was united in marriage to the late Harold Hill, and of this union were born four children, John and Keith of Lochlin, Lois of Toronto and Betty (Mrs. Norman Harrison Jr.) of Ingoldsby.

For many years Mrs. Hill was superintendent of the local Sunday school and was a conscientious life-long member of the Women's Auxiliary and the United church. For all, she worked unceasingly.

Mrs. Hill was also well known for her part in the general store, and since the death of her husband in 1957 had served the district as postmistress. To all she was a kind friend in times of trouble and need, and was held in high respect by all, as shown by the many beautiful floral tributes. The village has truly lost a valued neighbor, and earth's loss is heaven's gain.

She is survived by her sisters Belle (Mrs. H. E. Wingfield) of Hespeler; Jessie of Dunnville; her brothers Archie of Lochlin; Charles and Don of Dunnville. A sister Mary (Mrs. Lymburner) predeceased her.

After a short service at the house, the funeral service was conducted by the Rev. Wm. Armitage in the Lochlin United Church, at which time Rev. Armitage tried to give an explanation to the question asked by many, "Why should a good woman like this have to suffer so?" The 2nd Psalm was sung, with Bill Gliddon as organist.

The pallbearers were neighbors of the deceased, Jim Dugan, Orville Hicks, Moss and Harvey Minaker, Percy and Russell Burk. Interment was made in Ingoldsby cemetery.

Mrs. Hill was a lesson in unquestioning faith in Almighty God to all who knew her.

Loving and kind in all her ways,

Upright and just to the end of her days.

Sincere and true in heart and mind,

What a beautiful memory she left behind.

BEAUTIFUL
DURABLE
VERSATILE

GOODERHAM

(Intended for last week)

Another year has rolled around and Mrs. Peacock, one of our most popular citizens has again celebrated another birthday on July 11. She was 86 years young.

As usual in her jovial manner she welcomed the many who called on her to extend best wishes.

She does her own work and much entertaining. She is still making the most beautiful quilts and her hands, seldom idle, are also knitting mitts for the numerous great grandchildren.

A beautiful birthday cake was presented by Mrs. Pearl King, a neighbor. Many guests partook of it, as well as other dainties served with tea.

Visitors were too numerous to mention but were there from Toronto, Emsdale, St. Catharines, Windsor, Burnt River, Brooklyn, Peterboro and Gooderham.

She was the recipient of many pretty gifts and numerous cards for which she was grateful. It is to be hoped she will be spared many more years to her family for she is a wonderful mother and is lovingly called Grandma Peacock by many in our village.

The Pentecostal picnic was well attended at Furnace Falls on Saturday, July 9. Many prizes were given for races and contests. Mrs. Alice Hadley received a gift for the oldest present. Mr. and Mrs. Clifford Reil for the largest family.

About 70 sat to supper which ended with everyone receiving a dixie cup of ice cream and a large slice of watermelon.

Much credit for the success of the picnic is due Pastor and Mrs. E. Mintz.

The old municipal building has been demolished. At one time it was the jail. Later Mr. Clifford Stoughton, our popular barber, transformed it into a barber shop. At present workers are on the job putting up a more spacious municipal building on the old site.

Mrs. Helen Gunn, secretary treasurer of Glamorgan township, has moved the business into the Orange hall.

Mr. and Mrs. G. W. Barr attended the recent celebration at Peterboro. From there Mrs. Barr attended a gathering of the Orange ladies at the King Edward Hotel, Toronto, as a delegate from the Haliburton ladies' lodge.

Mr. and Mrs. Aldridge Hunter and Edward, Mrs. J. E. Hunter and son John and Bonnie Hunter visited at Niagara Falls.

Recent visitors were Mrs. Reg. McGrath and sons Jack and Jimmy of Hagersville;

Mr. and Mrs. Keith Spillenaar, Niagara Falls; Mr. and Mrs. Crawford Shier and family of Toronto; Mr. and Mrs. Williams and family of Vancouver; Mr. and Mrs. Nelson and Sandra of Sudbury; Mrs. William Rile and family of Lindsay; Mr. K. Roberts of Emsdale and Mrs. J. Peacock of Toronto.

Mr. Robert Aitchison and Mr. Jack Edwards of Toronto; Mrs. Sarah Cope, Lindsay; Mr. and Mrs. Ivan Hunter and family of Ottawa; Mr. and Mrs. Ira Madill and family of St. Catharines; Mr. and Mrs. Moss Madill and family of Toronto.

Mrs. Louis Mintz has returned home after visiting relatives.

Many attended the salad supper held in the Orange hall on Wednesday evening. The tables were beautifully decorated with cut flowers donated by Mrs. Fred MacDuff and Mrs. Susan Madill. These ladies have a variety of flowers.

There was an apron booth capably looked after by Mrs. Willard Billings. Food was plentiful and well served.

The ladies are pleased and grateful for the financial success of the occasion.

TREASURER'S SALE OF LANDS FOR ARREARS OF TAXES

THE CORPORATION OF
THE MUNICIPALITY OF ANSON, HINDON AND MINDEN

BY VIRTUE of a warrant issued by the Reeve of the Corporation of the Municipality of Anson, Hindon and Minden, in the Provisional County of Haliburton, bearing the date of May 2, 1960, and to me directed, commanding me to levy upon the several lands mentioned and described in the following list, for arrears of taxes thereon and costs herein as set forth I hereby give notice that unless such arrears and costs are sooner paid, I shall proceed to sell by public auction at the Minden Recreation Centre, Minden, Ont., the said lands necessary to pay the said arrears and costs on Wednesday, September 7, 1960, at the hour of two o'clock in the afternoon. The adjourned sale will be held at the same place and hour on the fourteenth day of September 1960. It is the intention of the Municipality herein mentioned to purchase at the adjourned sale such lots as do not bring the said taxes and costs.

F. H. BROOKS, REEVE.

GORDON B. BIBBY, CLERK.

List of Lands for Sale may be seen at the Clerk's Office, Minden, Ont.

CHEVROLET BUILDS A BETTER JOB TO DO YOUR JOB BETTER!

They've got the industry's greatest engineering advances — the best power plants going — outstanding stamina for whipping schedules — plus real dollar-saving economy. Truck men clear across Canada know it...and sales figures prove it...CHEVROLET is the best truck you can buy anywhere.

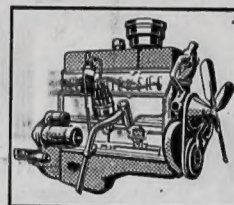

15,000 POUND SINGLE OR OPTIONAL 2-SPEED REAR AXLE — Standard axle's rugged, hypoid gears convert driveline torque into power to move the loads faster, more efficiently.

EXTRA-DUTY 11-INCH COIL SPRING CLUTCH — New hydraulic clutch control system and arched cover openings ensure smoother, cooler operation and longer facing life.

JOBMASTER SIX — Here's the low-cost answer to your heavier hauling problems. Efficient six-cylinder design makes the Jobmaster a natural choice for thrift. Standard on many 60 series models.

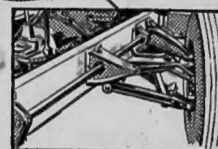

4- and OPTIONAL 5-SPEED TRANSMISSIONS — Chevrolet transmissions make truck driving just about as smooth as jockeying the family car. And they're tough, built to take miles more, years more wear.

VARIABLE-RATE TWO STAGE REAR SPRINGS — Now... Two-stage smoothness! When the truck is empty, only a light part of the spring is in action. Full load causes full springing... you ride softer all the time.

Chevrolet trucks have earned first place in sales. And engineering advancements of the kind you see above are a big part of the reason. That's why your new truck should be a Chevrolet. Take advantage of other truck men's experiences with Chevrolet. Because whatever job you have

FRONT SUSPENSION — Independent front suspension with torsion springing gives the best truck ride ever designed. Result: faster, smoother running over rough going, years longer truck life.

in mind, from transcontinental hauling, to a door-to-door milk run, you know Chevrolet has been doing it for years, and making it pay like no other truck can. Consult the truck experts at your Chevrolet dealer's. You'll find this combination has no equal anywhere.

COMING EVENTS

HOLIDAY FAIR

including a bazaar and bake sale, will be held by the Minden W.A. on Saturday, July 30 on the United church lawn commencing at 1 p.m.

Have You A Folk Tune?

Dr. George A. Proctor is in Haliburton County district for a short period on behalf of the National Museum of Canada, in Ottawa.

Dr. Proctor, who recently received the Ph.D. in musicology from the University of Rochester, is conducting research in folk music. He is collecting traditional songs and fiddle tunes for the national museum archives, whose purpose it is to preserve those elements of our national culture which have not been written down.

This work by the museum has been going on for 50 years with about 15,000 songs being on record there. However, this is the first time that a representative has appeared in the Haliburton district.

Dr. Proctor hopes to record on his tape recorder as many as possible of the shantyman's songs which flourished in this district in years gone by.

(Continued from Page One)

the business section features an angel stone fireplace with a record player to provide background music for relaxation.

The exterior is white stucco with an eye catching sign designed and painted by Jack Madill. Carpenter work and cement blocks on the project were done by Allan Barry, Charles Parish and Arthur Fairfield. Mr. Bernard Jubb was responsible for the fireplace and stucco. The plumbing was installed by Thomas Irwin Ltd., the lighting by James Lawrence while Roland Finlay of Lindsay finished the roof.

Easily accessible by boat from Pine Lake, Grass Lake and Maple Lake, the Green Canoe promises to fill the area's need for a good restaurant. The community extends to Mr. and Mrs. Barry sincere wishes for every success in their new undertaking.
